Las Vegas, NV 89101

Dear Mayor Goodman,

I want to truly thank you for your efforts to bring an MLS expansion Club to Las Vegas. We deeply appreciate all of the work that you and your City Council members have done to support the development of a soccer stadium in your thriving downtown.

Unfortunately, given the timing of our expansion rollout and the uncertainty as to when we might be able to move forward in Las Vegas, we are no longer considering Las Vegas as an expansion market until after 2018.

We have truly enjoyed working with you, your office and the Findlay and Cordish groups. We would look forward to revisiting this in the future and believe that given the right circumstances, Las Vegas would be a vibrant and successful market for an MLS expansion Club.

Sincerely,

Don Garber
