Narrative

On October 11, 2019 at approximately 2126 Hours, I, Officer B. Redd P#16936 operating as marked and uniformed patrol unit MAN9 responded to a Battery in progress while working a special event at Mandalay Bay Event Center 3950 South Las Vegas Blvd. Las Vegas, NV 89119.

Sgt. A Aguirre P#9645 and Sgt. K. Lorsen P#5746 while on post in the VIP section observed an unknown male later identified as ALAA R ABDEL-AZIZ, strike another male in his face with a closed fist.. The male identified as the victim identified himself via his Miami ID as Ibrahim Kawa **PII** 1981. Kawa stated while in the VIP area Aziz approached him stated he needed to speak with him and subsequently struck him in the face with a closed fist on the right side of his face for no reason. Once struck Officers and Mandalay Security immediately responded, and separated both parties. Sgt. Aguirre and Sgt Lorsen observed the incident in its entirety.

Leisette France, Kawa's fiancée corroborated the incident observed by officers.

Aziz did willfully and unlawfully use force and violence upon the person of another to wit Ibrahim Kawa by using his fist to hit said victim in the face and head area in the presence of a public officer.

Photos of Kawa's injuries were taken and uploaded to OnBase.

Due to the above facts and circumstances, a battery occurring in officers presence Aziz was issued a citation and escorted off the premises.

PII

Personal Identifying Information

The record(s) you seek contain personal identifying information.

NRS 239.001 provides that public records are open to inspection. However, NRS 239.010(1) expressly creates exemptions to the disclosure of records falling under various statutes, including NRS 239B.030. NRS 239B.030 makes “personal information” confidential. NRS 603A.040 defines “personal information” to include social security numbers, driver’s license numbers, account numbers, and the like.

Here, because the record(s) you seek contain confidential personal identifying information, they have been redacted.

PRVCY

Privacy Interests

The record(s) you seek contain information, that if disclosed, would constitute an unwarranted invasion of a person's nontrivial privacy interest.

In *Reno Newspapers v. Sheriff*, 126 Nev. 211,218,234 P.3d 922, 927 (2010), the Nevada Supreme Court recognized that an individual's privacy must be balanced with the public's general right to open government, "especially because private and personal information may be recorded in government files"). Later, in *Clark County Sch. Dist. v. Las Vegas Review-Journal*, — Nev. —, 429 P.3d 313, 319-20 (2018), the Court adopted a balancing test in which the burden shifts to the requester of a record if the public agency demonstrates a "nontrivial personal privacy interest" including "intrusion[s] into a person's reasonable expectation of privacy, seclusion, or solitude."

Here, the record(s) you seek contain information, that if disclosed, would constitute an unwarranted invasion of a person's nontrivial privacy interest. Therefore, they are confidential and must be redacted.
